Thu 19/05/2022 20:52

To: Witton and Ridlington Parish Council <wittonandridlingtonpc@outlook.com>

Sorry this is later than promised - been pretty busy.

John

Report of the activities of Witton Charity to the Annual Parish Council Meeting 24th May 2022.

Post Covid the Charity completed all it's Banking Mandates and most of the regulatory requirements for it's investments.

The websites has been rewritten to simplify the message that we are here to assist the poor and needy of the Villages of Witton and Ridlington. There is online application form.

Posters, reflecting this simplified message, have been placed around the Villages and in the Doctors Surgeries.

Citizens Advice Bureaux and the Salvation Army have our contact details on file.

We have written to all the Schools, in the catchment area, advising them that we are here to help and have had conversations with two of them.

Our next approach will be to all the Care Homes in the area as well as all the care staff directed into the community from the Doctors Surgeries.

19th May 2022
